Dear Mr Steer,

## CONFIRMATION INVOICE

Thank you for booking your holiday with the National Trust. We're sure you will have a wonderful stay.

By booking a holiday with us, you're helping to protect and care for special places so people and nature can thrive, we couldn't do it without you. We're really looking forward to welcoming you and sharing the National Trust experience, heritage, and history.

We hope you'll enjoy the local area on your holiday. There are so many places waiting for you to explore. As our guests, you and your group have free entry to National Trust properties (car parking not included) during your stay. The lead booker just needs to show this booking confirmation (digital or paper copy) at the entrance. Search places to visit and check opening times at [www.nationaltrust.org.uk](http://www.nationaltrust.org.uk).

Unfortunately, from time to time, we find our email confirmations are not compatible with all devices. We have therefore attached a pdf which should be legible on all devices.

Please take some time to read the details of your booking. Please note there is no 'cooling off' cancellation period applicable to holiday purchases, but we do realise that sometimes mistakes can be made so please do let us know of any concerns you have within 48 hours of receipt of this booking confirmation so that we can make any changes to your booking. After this time, your booking is finalised, and the attached terms and conditions accepted. Any changes thereafter will be subject to normal cancellation and amendments charges. We'll only be able to discuss your booking with you as the lead booker.

We strongly recommend that you and your party take out travel insurance to cover any unexpected changes which may affect your holiday. We advise this is taken out as early as possible following confirmation of the holiday booking.

Please arrive at your accommodation after 4pm. Please note we cannot facilitate earlier arrivals as change-over days are used for preparing the accommodation for you, carrying out compliance checks and giving time to contractors to carry out any necessary work.

We recommend that you use the directions provided rather than Satnav as, due to the rural location of much of our accommodation, Satnav may not correctly direct you. Please ensure you bring a torch.

On the morning of your departure, we politely ask you to leave your accommodation as you found it by 10am to allow our colleagues the time to prepare it for the next guests, to facilitate compliance checks and to provide access for any contractors who may have been booked.

## What we ask of you

Staying in a characterful and historic building is a wonderful experience; however, there are a few things to consider.

On arrival, please familiarise yourself with all exit routes and the fire safety information specific to the accommodation. This can be found on the Fire Safety Notice and in the Accommodation User Guide. Guidance is provided regarding the appropriate use of any wood burner or open fire if this is applicable to the accommodation.

Please don't move furniture during your stay as it can cause damage to the furniture itself and the accommodation.

Please note the use of candles, fireworks or Chinese lanterns is not permitted.

Smoking (including the use of vapours or e-cigarettes) is not permitted inside the accommodation.

Barbecues and fire pits are only allowed where we supply them. Please don't bring your own as this will invalidate our insurance.

In some areas we provide electric vehicle charging points and you can find a guide of National Trust charging points [here](#). Please only use proper electric vehicle charging points and don't extend wires from our accommodation as this creates a trip hazard and can also cause supply problems. [Zap-map](#) will be able to help you find the nearest charging points.

The maximum number of guests over two years old is shown on this booking confirmation. Please note one baby or toddler under two is permitted providing we supply the cot and highchair. If we don't, the accommodation has not been deemed suitable for babies or toddlers and/or does not have sufficient space for a cot to be placed safely. Please do not exceed the maximum number of guests.

Please consider any neighbours.

We reserve the right to charge for any damage or additional cleaning costs if the accommodation is left in an unacceptable condition.

On departure, please remember to secure all windows and doors and leave the key in the key safe.

Please note our bothies are self-clean. We respectfully ask our guests to clear up after them and remove all rubbish.

## Extras

You may add any optional extras to your booking (if available in your chosen cottage), up to 7 days before your arrival.
