Subject: Copy of webbing order and pool stamping report .Fw: Your order is confirmed

Hi Keith, trust your improving. Copy of order for 25mm webbing and buckles. Went to the pool last night changed out the two male ends straps for the temporary fix you had done replaced 6 others . Thought I had cracked it asked the polo players to replace the boats I had tacked down, told them to be gentle !!!!!!!?? They snapped two more top straps 🙄🙄 Told Calam to be careful as only temp fixed and to ask someone on Thursday to change them. If I am still at home may try an get over as they need to be fixed. Dave
