Club trip in open canoe from farndon to eccleston.

9 miles of lovely Flat water with a bit of assistance from the flow

Open to solo or tandem canoe, all I ask is that you can paddle fairly straightish

Under 18 must be accompanied by adult

Weather looks good

Let me know if interested ASAP, with brief overview of ability if I haven't paddled open boat with you.

Open canoes can be booked via the club website.

Keith will be on hand at the compound to help load at 8.30 on Sunday morning. You must advise if you are doing this so we can confirm how many people will be arriving at the compound.

If not needing a boat, after confirming attendance, meet at farndon at 9.30.
