1. Anyone deployed to undertake regulated activity **must** have an appropriate Criminal Records Check in line with the nation or region of operation.
2. Although formal training may not be required to be recorded within the membership database systems, training within clubs, disciplines and organisations should be carried out, which may include an induction process for the role, mentoring as well as a competency check if appropriate.
3. Trips and Training camps are within the scope of the policy for Clubs and National Association Committees.
